

Short Description:

Comfortable Fluorescent Hi-Vis Color Softshell Jacket for Men

Product Introduction:

This is a new design modern workwear softshell jacket for Men. It's a completely innovative comfortable jacket.

The main fabric is polyester/cotton, strong and wearable for most of working conditions.

Meanwhile, the fabric is a little stretchy to bring you more comfortable wearing experience.

This jacket is with an ergonomic shaped cutting to fit your body. Fashionable look and flexible during big movement when working.

We concern every details for wearers. Inner collar with fleece to make your neck warm and comfortable. There is an inner flap under front zipper, then it is good to wear in cold windy days.

As a working jacket, safety is the most important thing. Here we put 4pcs reflective tapes on body. The striation pattern reflective tape is our new and unique design for modern workwear, which combine safety function with active look. It is strongly recommended.

As for the color way, we take one Hi-Vis color combined with navy color, and with another Hi-Vis color as small part decoration. Bright and attractive looking. This is a fashion trend color way for workwear. Beside these, we have other color ways for your choice. Or we can follow your idea to make a brand new design.
