

**Modern Workwear Jacket With High Visibility****Item NO.: GL8894**

This is a Modern Workwear Jacket With High Visibility.

**Product Introduction:**

The padded jacket is made of twill fabric, which combines with the TPU membrane and microfleece inside to make the entire jacket warmer and weatherproof. The jacket has different reflective elements, reflective transfer print bands on the front and back shoulder seams and in a special shape, reflective silkscreen prints on the sleeves, and front & back combination panels, all of which keep the wearer safe at night. Detachable hood. Adjustable bottoms and cuffs. The shoulder area is reinforced with a wear-resistant fabric. There are 1 breast pocket, 2 pen pockets, and 1 sleeve pocket with hi-vis yellow piping. 2 side pockets with zippers, and 2 inside pockets to store your work tools and personal belongings.
